SAN ANTONIO DIVISION**

AARON MALDONADO, *et al.*,

Plaintiffs,

HIGHER POWER ELECTRICAL, LLC,
and 5 STAR ELECTRIC, LLC,**

Defendants.

Case No. 5:21-cv-00085-OLG

DEFENDANTS' UNOPPOSED MOTION FOR EXTENSION OF TIME

Defendants request an additional eleven (11) days to submit arbitral awards the Court ordered Defendants to file. Plaintiffs are not opposed.

On May 13, 2025, the Court ordered Defendants to file any prior arbitral orders that are inconsistent with the arbitral award that made the basis of Plaintiffs’ Motion for Collateral Estoppel by May 19, 2025. (Dkt. 65). On May 14, 2025, Plaintiffs motioned the Court to require Defendants to produce arbitral orders—both consistent and inconsistent—for the Court’s consideration (Dkt. 66). The Court granted Plaintiffs’ motion and ordered Defendants to produce the awards, which increased the documents that must be reviewed. The deadline to do so was not enlarged.

Notably, in some arbitrations, Defendants were represented by counsel other than those from Porter Hedges LLP (the undersigned law firm). Counsel for Defendants estimate that there were more than one-hundred (100) arbitrations filed, and Porter Hedges represented Defendants in some of those but not others. As such, Defendants' counsel in this case have to coordinate with Defendants' other lawyers to gather files that are potentially responsive. To ensure that all

responsive documents are collected and filed with the Court, Defendants request that the original deadline—May 19, 2025—be enlarged by eleven (11) days, making Defendants’ submission due on May 30, 2025.

This request is not for the purpose of delay but so that Defendants are permitted time to fully comply with the Court’s order. Plaintiffs are unopposed to the relief Defendants seek.

Respectfully submitted,

By: /s/ William R. Stukenberg
